### **From the Her Majesty's Consul**

03 June 2020

On behalf of the British Consular Network in Greece and Cyprus, I would like to express my sincere gratitude to your organisation for your time and dedication in preparing and delivering a tailor-made workshop to consular staff on domestic violence.

The handling of such cases and the impact on the victims is of the highest concern to the UK Government, and this is particularly relevant during the trying times we are all facing as a result of the pandemic.

The workshop your speakers delivered on 3<sup>rd</sup> June was really well-received and the break-out sessions were informative and interactive. I am therefore confident the knowledge our staff acquired has enhanced their confidence in handling cases of vulnerable British nationals in need of consular assistance.

I would like to thank you once again for your valuable contribution and wish you every success in your future endeavours.

Kind regards,

*Clare Douglas*
